

Audio script for 4A Ch 4 Listening & Speaking (p.42)

A The children are at a restaurant with their dad. Listen and choose the best answers.

David : Dad, can we order now? I'm starving! I could eat a horse!

Dad : What do you want to eat, David?

David : I want the biggest dish on the menu – chicken curry with rice please!

Dad : OK.*

How about you, Kelly? Do you want curry as well?

Kelly : No, curry isn't my cup of tea. I don't like the smell of it. I like spaghetti.
The

spaghetti with meat sauce looks yummy. Let me order that.*

How about you, Dad? You have a sweet tooth. I think the dessert menu
looks

nice.

Dad : Well, you know me well. Both the mango pudding and pumpkin pie look
nice. I'm

still wondering which one to choose.

Kelly : Why not ordering both?

David : Yes, we can share them with you!

Dad : That's a good idea!*
