(pupils' own answers)

e.g.

Last Sunday, Kelly wanted to buy a present for her mum's birthday. She went to a bag shop because she wanted to buy a purse. The shop assistant showed her two purses. 'Which would you like, the pink one or the purple one?' she asked. Kelly said, 'The purple one is nice. It's cheaper than the pink one but Mum likes pink. I'd like the pink one, please,' said Kelly.

Kelly went to pay but she couldn't find her purse. She was shocked. She called her brother at home. Luckily he found it in Kelly's bedroom and brought it to the shop. Kelly paid for the purse and then she went to buy a cake with her brother.
